CNAS STEM Pathways Program

Spring 2021

Presented by
Nhi Tran
S.T.E.M. Connections Coordinator
CNAS STEM Pathways Program
Welcome to our 2021 UCR CNAS Transfer Webinar
HELLO!

I am Nhi Tran

STEM Connections Coordinator @ UCR

I am here to talk to you about transferring into the College of Natural and Agricultural Science (CNAS) and the program I oversee dedicated to ensuring transfer success in STEM.
About Me

B.S. Biology
M.S. Biochemistry
PhD Biochemical Education
CNAS: Who we are

We are a Research-Based Institution
13 departments that encompass the life, physical, mathematical, and agricultural sciences

Encourages collaboration and interdisciplinary research centers

Modern science is team based CNAS embodies that principle in everything it teaches and practices
Academic & Professional Goals

Employment
- Government
- Non-profits
- Teaching

Health Profession
- Medicine
- Dentistry
- Pharmacy
- Veterinarian
- Nursing
- Physician Assistant

Graduate School
- Masters Program
- Doctorate PhD
- Professor
- Researcher
- Industry
How we help you reach your goals:

- Connect
- Engage
- Referrals
- Network
STEM Connections Programming

3 Peer Mentor Socials

W19 3rd Peer Mentor Social

2 Faculty-Student Mixers

Faculty-Student Mixer with Dr. Dawn Nagel

1 Field Trip

F18 Science of Beer & Brewing Field Trip
STEM Resources
